

Thank you for your inquiry regarding eNeura's SpringTMS migraine treatment device. We are pleased to announce ours is the first clinically proven, non-invasive device cleared by the US Food and Drug Administration (2014) to relieve pain caused by migraine headaches that are preceded by an aura. The company also received European CE mark for its SpringTMS device for the prevention and treatment of migraine. SpringTMS is marketed in the United States and the United Kingdom.

Over 75 sites throughout the United States are prescribing SpringTMS . Please email Customer Care to request contact information for the site nearest you: customercare@eneura.com.

Please visit our web site: www.eneura.com to learn more about SpringTMS and for updated news about treatment of migraine.
